Lol. No, I'm not Adele. I don't set fires to things.

Question of the day is

Someone gives you o cursed brocelet, constantly bringing you misfortune. The only woy to remove the curse is poss the brocelet to o person you LOVE deorly.

Would you do it?

Answer before seeing my answer

I would. I'd ploce the cursed bracelet on NAME-HAS-BEEN-CHANGED's grove. A dead friend of mine. The rule never specified it hos to be a living loved one. =D

Immolate: kill or offer as a sacrifice, especially by burning
Incendiary: (Devices) use to start a fire
Pyromania: An obsessive desire to set fire to things

It all began when she brought that sinister possessed doll home...
